

Grain Marketing Opportunity

Wimpak Export Company is a highly regarded grain accumulation, processing and exporting business servicing growers throughout the Wimmera Mallee region.

Wimpak is seeking a dynamic Grain Marketing Manager to help grow the business even further and contribute toward a successful and dedicated team.

Key responsibilities of this role include:

- Accumulation and sales of cereal and pulse grains.
- Building close relationships with grain growers, international grain exporters and domestic end users.
- Maintaining detailed records on a computer database.
- Working in close partnership with our Senior Marketing Manager you will be responsible for implementing our sales strategies.
- Strong focus on business development, with a commitment to servicing and growing a loyal customer base.

Experience within the Agricultural sector, in particular the grains industry would be an advantage, however all levels of skills and experience will be considered.

An excellent remuneration package with vehicle will be supplied.

Should you wish to be considered for this opportunity, please forward your cover letter addressed to the **General Manager**, together with your current resume and references to **Wimpak Export Company, PO Box 101 Minyip 3392** or alternatively contact Richard Bales on ph. 0458 887 044 for further details or email, richard@wimpak.com.au

A detailed position description is available on request.

Applications close: Friday 10th June 2011.
